AIR MAIL

August 15, 1971

Dear Dr. Burleigh,

Thank you for your letter. I feel properly chastised for letting the "grass grow under my feet."

I feel so stymied as to the information you asked for because as I pointed out in my first letter, I haven't been able to get any help from the only relative that I know of - Raymond J. Conway, P.O. Box 831, Picton, Ontario, Canada.

In the last letter he wrote me he did mention a cousin, Leonard Duetta who apparently lives close there, somewhere. (Son of Maggie Conway).

I've looked through old pictures, etc, and could only come up with the names, Albert, William, Edith and Maggie - sisters and brothers of my grandfather Robert J. Conway & sons & daughters of John & Jane Conway. I wonder if you could at least find out what County in Ireland they came from. The Genealogy department at our library has some nice volumes but by name of family and the counties where they lived.

Dr. Burleigh, I have a boy in College and I don't go back to work until school opens in Sept. I expect to have to pay to have a search made, but I can't do it right now. Would you want to get started, now, on what little information I've been able to give you and

I feel that 8 books is about all I can  
afford at this time.  
I hope this will be O.K. with you and thank  
in advance, if so. (Mrs) Gladys Damby.

Dear Dr. Burleigh

Almost ~~four~~ years have passed since I first contacted you about information concerning my great-grandparents, John & Jane Conway. I really am so disgusted with myself for such a waste of time, but it's mostly the old story of asking someone else to do a job that I should have done myself.

I have written several times to a cousin in Picton, Ontario, Canada for information as to birth dates and places of my grandparents. He promises and then I don't hear from him until the next time I write.

I have filled out the sheet you sent me to the best of my ability. My grandparents were divorced when I was quite young so I really don't know anything about relations in Canada.

Would you please drop a note or card telling me know if your help is still available and the cost and maybe I can finally "get this show on the road." I could have had quite a bit done in these four years.

Thanks so much, in advance.

the newspaper stands for "absolute respect" of individuals, their freedom and their religious beliefs and that it undertakes to denounce any threat of intolerance.

It says La Presse is independent of political organizations, governments, financial powers or of any person or group seeking to interfere with its chosen cause of informing readers honestly and as completely as possible about events anywhere.

About the position of Quebec in Canada, the statement says:

"La Presse believes in a strong Quebec within a Canadian Confederation resilient enough to satisfy the legitimate aspirations of Canadians of French language culture."

"La Presse," the statement continues, "believes in a Quebec in which individual and collection means will be taken to preserve, enrich and expand French language and culture."

"La Presse will do everything possible to help French-Canadians to enrich their own French and North American cultural character in an atmosphere of rigor and excellence."

"Basically, La Presse believes that the future of a prosperous Quebec depends primarily on work, personal discipline, competence and a spirit of individual enterprise."

The statement says the newspaper supports free enterprise

as practised and developing in the world but favors a measure of state intervention for planning purposes and will support any valid initiative by the state or by groups or individuals seeking to correct social injustice.

Dear Dr. Burleigh:

In the letter to you which left here yesterday  
I notice in a copy that the date referring to Lord  
Dorchester on the fourth page was written as 1970  
which, of course, was a typographical error.

I hope you will not feel that I am confused,  
as you are quite aware the date was 1790. This  
correction should be made.

Yours sincerely,

Dear Dr. Burleigh,

About June 26th I stopped at your place but you were not home.

Perhaps your wife told you of our visit.

I am the great grand daughter of John and Jane Conway who settled in what is now Conway, Ontario and later lived in Pictou, Ontario where my grand father was born.

I had never been in Canada before so I was thrilled to find a second cousin and his mother still living in Pictou. Raymond Conway & his mother Effie. Raymond told us about Conway but we forgot to ask him just where the old homestead was located but he mentioned Adolphus town.

We stopped at a little store on the chance they might help. The lady there referred me to you and said you might have some booklets left from the Centennial you had last year. That was why we stopped at your place. We were so disappointed to find you gone.

If you have any information or

one of the booklets that would let us  
learn something of our background, I  
would appreciate having it so much.  
If there's a charge let me know and I'll  
send a check immediately.

The lady in the grocery store told  
me you are quite a genealogist so if  
any one could help it certainly should  
be you.

Thank you very much for your  
help - in advance.

Dear Friend or Relative:

Herewith are three generations of my family.

I am trying to compile a record of the Conway  
family. I am searching for information on the ancestors and descendants  
of Robert John Conway born  
at Pacton, Ontario, who married Sarah Ellen North

I note that you are interested in families bearing this same surname.  
I shall appreciate any assistance, which you may be able to offer me, or  
any suggestions as to a source of information which will help me in follow-  
ing out this line of my family tree.

I am compiling this material for the love and appreciation I have for the  
family to which I belong.

Please write your pedigree on the reverse side of this sheet, and return  
to me at once. I shall be glad to share with you any records which I may  
have.

Thank you for your help and co-operation.

Sincerely,
